Are you a Parent / Carer of a child or young person with SEN?

Open Morning – Friday 28th April 2017 (9.30am till 11.30am)

Please note that these sessions are for Parents and Carers to visit the school – there will be opportunities during the admissions process for children to come to Mill Water, meet staff and be given a tour of the school.

Please contact Mrs Susan Spiers to book a place.

Mill Water is a 3-19 special school educating pupils with severe and profound learning difficulties.

In January 2015 we moved into a new purpose built school in the grounds of Bicton College. The new school includes light/dark sensory rooms, soft play, a hydrotherapy pool, ICT facilities, specialist curriculum classrooms, spacious grounds and outside play equipment.

All staff are committed to providing the care and support our pupils need to reach their full potential. We always celebrate the smallest steps of achievement as well as being committed to delivering a purposeful education.
