

FOR ALL PARENT/CARERS OF PUPILS AT MILL WATER SCHOOL

FREE GOLF for ANYBODY of ANY AGE who have ADDITIONAL NEEDS. A great opportunity!

There is a fantastic event being put on by **England Golf** where parents and carers can bring along anybody who has additional needs to give golf a go. You will all get the chance to play golf; either on the driving range, putting green or the course. **Drinks and refreshments are also included for free...and that includes for carers and parents and support staff too!!**

Stuart Disney, who is running the event is an incredibly dedicated man to both the sport and all the participants involved. Here at the Exeter Deaf Academy Stuart has delivered 4 very inclusive sessions that have had a FANTASTIC response by all the students involved. As well as working with us he has also attended an evening put on by Deaf Sport Uk in 'Effective Communication - Coaching Deaf People In Sport'.
