

Dear Mill Water Parents and Carers,

I have become aware of a number of extra-curricular opportunities that I wanted to pass on to you all, so please find below details of various things running in the local area in the near future. I hope that some of these will be useful to you. If you do use any of these clubs or activities please do let me have some feedback so that I know whether to recommend them in the future.

Many thanks,

Sarah Clarke,
Communication Lead

Sunday 7th June – Open Farm Sunday

A trip to any of these would fit in really well with the lower school topic of Farms this half term! Running at various farms in the area – details are available on the website: www.farmsunday.org

Inclusive Outdoors Club at Haven Banks

For 11-25 year olds who have a disability, designed to be fun, informative, and introduce participants to outdoor activities in a safe, supportive and social environment. The club runs at Haven Banks on a Wednesday evening 6pm-8pm and started in half term but there may still be places available. Contact Graham Manchester at Haven Banks: 01392 400150 or info@haven-banks.co.uk

Computer Club in the Summer Holidays

To be held at Whipton Children's Centre, Tuesday mornings 28th July, 4th August and 11th August from 10.30am. This is a Computer club for children with physical difficulties – who will need to be accompanied, but the event is free. For more information contact carole.thornett@btinternet.com

Breaking the Barrier Free Surf Days for Learning Disabled young people

June 27th, July 5th, July 19th in different locations but advance booking is essential – details available on the website: www.lifeworks-uk.org/our-events/
