15th October 2021

Dear Parents/Carers,

Apple week

The whole school had great fun collecting apples from our orchard by knocking them off the trees, then taking them to be cut, putting them through the mulching machine, and pressing them to make apple juice. Thank you to our Outdoor Learning team for making our annual Apple Week such a success!

Nature screen-printing

Classes 6, 8, 11 and 13 collected leaves from our orchard to produce these beautiful screen prints. The workshop was delivered by artist Rosie from Double Elephant, who encouraged pupils to explore different natural textures. Using traditional techniques, they then put their designs through an old-fashioned print-machine. Thank you to the Norman Family Charitable Trust and Arts Council England for funding this opportunity for our pupils.

Football Tournament

Two teams from Mill Water School took part in the inter school football tournament at Devon FA Headquarters. The teams worked really hard throughout the tournament, scoring 20 goals between the two teams. Both teams did fantastically well and Mill water came out winners! Well done everyone!

Halloween

As Halloween falls in half term, we will be celebrating it on Friday 22nd October at Mill Water. Groups will be doing their own activities in class, and pupils are invited to come to school in fancy dress if they would like to. If fancy dress isn't possible for your child, non-uniform is welcome as well.

Sing and sign Makaton choir resumes

It is time to Sing, Sign and Dance Together Again

- ✓ Sing
- ✓ Learn Makaton Signs
- ✓ Dance
- ✓ Have fun
- ✓ Mingle

After a difficult year we are excited to announce that the Makaton Sing and Sign Choir is **back!**

The Makaton Sing and Sign Choir in Honiton is delighted to be back meeting up. Sing, learn to sign, dance, have fun and mingle!
