14th May 2021

Dear Parents / Carers

It's been Mental Health Awareness Week this week with a focus on how nature is good for our mental health. There has been a lot of rain but it hasn't stopped pupils getting out and about, and it even bought an interesting visitor to Class 3 and 4's playground!

Class 3

Class 3 have been reading the books Oliver's Vegetables and Oliver's Fruit Salad. They have started growing their own fruit and vegetables in class... can you guess what they are?! They were also happy to have a little toad visit their playground this week. He was lovely to look at but was safely caught and released somewhere more suitable!

Class 5

Children in Class 5 continue to develop their biking skills. They negotiate around the special track in the playground as well as develop their stopping and starting skills after responding to instructions or through role play games; these often involve petrol stations and the police!

Class 8

Class 8 produced some beautiful blossom tree art this week. They were particularly proud of Tyler's (pictured individually) as he worked independently after watching an adult model the activity for him.

Class 9

Class 9 have had another busy week of work, achieving new levels on Study Ladder and making healthy pizzas as part of their 'Staying Healthy' topic.

They've also enjoyed their weekly trip to the Exeter Trampoline Academy, PE in the Sports Barn and a walk out on Aylesbeare Common.

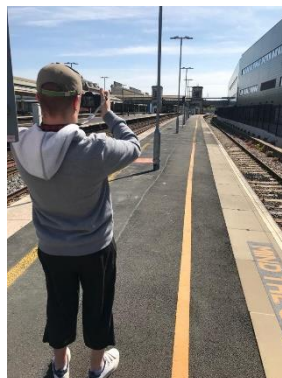

Communication Champions!

Congratulations to Paris from Class 3 who was awarded Communicator of the Week by Emma. And a special mention for Callum in Class 9 who got a special Head Teachers award for using his talker independently to make a sentence to ask a question about his hydro session on Friday.

Transition

Alfie from Class 12 will be leaving us this year to go to college. Whilst preparing for his transition to Oakwood Court he has been finding time to go tractor driving, feeding the birds, spotting trains and baking!

Dates for your diary

What	When	Where	Notes
Virtual Coffee Morning - EHCP Hub Information Session	20 th May 2021 10:00 - 11:30 am	Via Zoom	Please email Gemma Corry gcorry@millwater.devon.sch.uk with any questions you have about the Hub prior to the meeting so we can ensure we can answer as much as possible on the day!
