

Mill Water and Exmouth Learning Community Governing Boards

Terms of reference for a joint governor panel

The following arrangements are based on the principle of increased collaboration between schools to raise standards by working together to share ideas and good practice.

Under the Collaboration Arrangements (Maintained Schools and Further Education Bodies) (England) Regulations 2007), Governing Boards may arrange for any of their functions to be discharged jointly. They may also delegate any of their functions to a joint committee in the same way that they may delegate them to a committee of a single governing board.

Where it is necessary for a governing board to convene a governor panel to hear parental complaints, staff or pupil grievances or review exclusion, it can often prove difficult to find the right number of governors who are available, impartial and completely untainted by the circumstances of the hearing. By collaborating under a joint panel, each governing board can utilise the considerable experience of governors at each school to ensure that any hearing is conducted by an experienced and effective panel and without bias.

The Panels Committee is expected to work within the following terms of reference:

Aim: To share good practice and jointly discharge the governing boards functions for hearing staff grievances, parental complaints and pupil discipline issues
