28th May 2021

Dear Parents / Carers

Half term is here and hopefully we'll be able to spend the week drying out and enjoying some nice weather! The last couple of weeks have been just as busy as ever and there has been lots of hard work and achievements to celebrate.

Class 4

Class 4 enjoyed a sunny trip to Greendale Farm this week. They loved visiting the animals and playing in the park as you can see by the smiles!

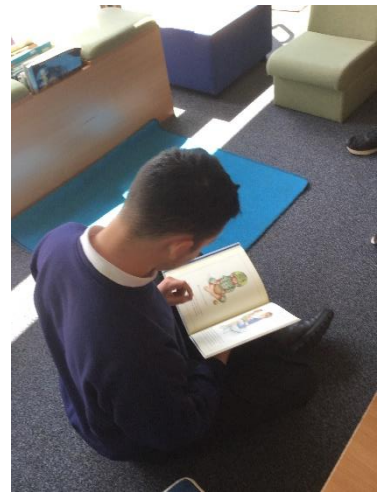

Class 9

Class 9 have been working hard again, especially on their core learning. Jack was their 'Reader of the Week' and was very proud of his certificate. In their 'breakfast club' they have been choosing what they want from a menu, finding the right money and requesting it from an adult. They then used the skills that they have been learning for a trip to the E3 café where they ordered cakes and drinks!

Library Club

Vicky has been running a new library club at lunchtimes which is proving to be a huge success. Ollie and Harry have spent some time there browsing the books. Harry particularly enjoyed listening to a story online and Ollie found a book about slime, including some edible recipes that he would like to try!

Communicator of the Week

This week Emma has chosen Ted R as her communicator of the week for his fantastic work on the iPad to talk to an adult he doesn't normally work with. Well done Ted!!

News from Home

We always hearing what you've been up to at home, and love sharing any good news, successes and achievements so please feel free to send in anything you would like the whole school to celebrate. This week Charlie's Mum has sent us some pictures from his return to the sea as part of the Wave Project which he loves taking part in. He's also achieved his Bronze Award at Beavers for being adventurous, helping in the community and learning about the world. He has gained skills, worked in a team and completed all of his challenge award and four activity badges. Well done Charlie!!

Sporting Stars

Students from class 9, 10 and 12 took part in a football tournament at Devon County FA Headquarters. They played 5 matches against teams from other schools in the local area. Mill Water took 2 teams who both performed excellently, showing fantastic resilience and a desire to succeed. After all the games had been played, Mill Water came out victorious as tournament winners! The pupils were an absolute credit to the school and we are very proud of them.
