

Summer 1 2020. Weeks beginning 04.05.20 & 11.05.20

Healthy Eating HEALTH & SELF CARE Oliver's Fruit Salad 1 (Class 3)

Try to choose 2 activities to try each day. Favourite activities can be repeated more than once.
If you can take some photos of activities to email to us or put on 'Evidence for Learning' that would be fantastic. We would love to see what you are doing. We are sending topic books home too. Please stick any work your child completes in their book. We are looking forward to your child showing us their book when we return to school.
Have fun!

(Please don't worry if your child isn't keen to do activities, maybe try again later or another day).

If he/she is really not keen, please prioritise well being and regulation & find something else that you know your child enjoys.

Classes 3 and 4 teams

Curriculum Area	Activity	Resources <i>Resources typed in blue are included in your pack</i>
Reading	Watch the story of Oliver's Fruit Salad	Mill Water School website Learning Resources; Classes 3 & 4; Oliver's Fruit Salad story.
