2<sup>nd</sup> July 2021

Dear Parents/Carers,

## Virtual Careers Fair

Some of Class 9 and Class 10 took part in a very successful Virtual Careers Event. Terry, who is our school Careers Adviser, is a retired British Airways Engineer so combined his knowledge of aviation and Class 9's love of making paper aeroplanes to deliver a really exciting session. The pupils learned about different types of aircraft, drew aeroplanes, made paper aeroplanes and even had a 'flight to Florida', complete with passports and boarding cards that they had made!

## Class 10

Class 10 have been working hard on their multiplication in maths. They've also enjoyed getting out and about and the fresh air with a walk around Bicton!

## 30 Days Wild

Pupils have had a whole heap of outdoor learning fun in the lovely weather throughout June as part of the Wildlife Trust's 30 days wild activities.

Class 9 and 10 had a session with Tibetan Healing Bowls in Bicton Arboretum, with a focus on mindfulness and relaxation in nature.

Class 12 have been planting and harvesting beautiful flowers as part of their rural enterprise and gardening!

And Early Years have been learning all about butterflies as part of their nature studies!

## Communicators of the Week

Emma had such a successful group at Lego Club that she couldn't pick just one communicator of the week last week, so she chose all 3! Congratulations to Lexi, Yas and Paris for working so well together to build a train!

## Dates for your Diary

What	When	Where	Notes
Cake sale and Family Picnic @ The Balmy Bicton	Sunday 4 <sup>th</sup> July 9:30-11:00am	In front of the Main Building at Bicton College on the grass area
