

Parent Support Group for parents of children on the Autism Spectrum.

Dear all

We look forward to welcoming you to our next Parent Support Group meeting which is on:-

Tuesday 17th July at Brixington Primary Academy at 1.30pm – 3pm. Refreshments will be provided.

The group, as before, will be open to parents of children either with or awaiting diagnosis, or with concerns that your child may have this condition.

The focus of this session will be on Communication and Interaction, Reducing Anxiety, Social Stories and Managing big emotions. There will be opportunity for questions on topics of your choice. This session will be led by Kayleigh and Catherine from Mill Water School, both experienced practitioners working with children with autism who will share their experiences with the group.

We very much hope that you will be able to join us as it is also a great opportunity to discuss and share information in a supportive environment with other parents.

We understand that this meeting time might not be convenient for everyone however we will continue to keep you informed of group developments and discussions via email.

Kind Regards

Louise and Annabel
