

18<sup>th</sup> June 2021

Dear Parents/Carers,

## Read for Good Readathon

This week Mill Water School has been doing the Read for Good Readathon. Pupils were sent home with sponsor forms and there have been lots of story related activities going on around the school this week. There have been 3 story hunts in the playgrounds, a pop-up literacy festival which some classes have logged in to meet various Authors and Illustrators online talking about their books and lots of sharing story sessions in the classes. Even Molly got involved by listening to some pupils reading!

Any sponsor money can be paid directly to Read for Good or brought into school by next Friday 25th June.

- **Account Name:** Read for Good
- **Sort Code:** 08-90-41
- **Account Number:** 6536 5023
- State your school postcode and name (abbreviated if necessary) as reference

## Class 3

Class 3 are learning about Transport this half term. To fit in with their theme, they enjoyed a trip out to Greendale to look at the fire engine and tractors.

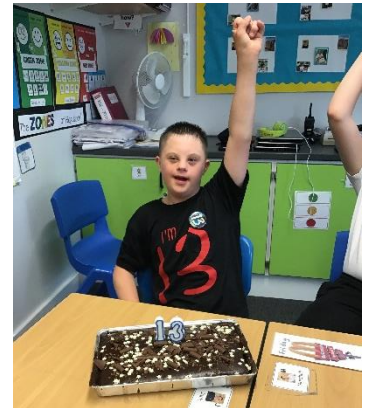

## Class 9

This week, Class 9 have been enjoying some activities for Readathon week – we have listened to David Walliams stories online which really made us laugh! We have done word searches and enjoyed a variety of books and stories.

They've also been over to E3 café where they chose a snack and drink and paid for it to practise money skills. And while they were there they celebrated Josh turning 13!

## Class 12

Class 12 watched a few of the pop-up literacy festival seminars this week. They were so excited about some of the books that Paul has already bought them and they've just started reading one as a class book.

## Communicator of the Week

Congratulations to Rory who has been chosen as Communicator of the Week for his work with Emma in his Speech and Language sessions!
